

2009 Animation School in Nihon Kogakuin

This program will focus on how to create Japanese animation, learn drafting, drawing, editing, and other related resources on making animation. Let's create animation together!

【School's features】

Nihon Kogakuin is a technical school offering a wide variety of diploma programs, established in 1947. The fields of study are divided into seven colleges. The Manga and Animation department lies in the Creators College. We believe that our school is the best school equipped for educating and providing advanced equipment in this field of animation.

【The goal of the program】

The goal of the program is to create your own animation with duration of one or tow minutes by the end of the course.

【Location】 Nihon Kogakuin College

(A 5 minute walk from JR Kamata Station, (10 minutes by train from JR Shinagawa Station))
